Toulouse School of Economics
Manufacture des Tabacs, S building
21 Allée de Brienne,
31000 Toulouse, France

WWW.IAST.FR

Program: June 1

- 08:30-09:00 **Welcome Coffee** - Hall S Building
- 09:00-10:00 **Brian Wood**, Yale University
Chimpanzees and the evolutionary demography of human families
- 10:00-11:00 **Robert Brooks**, University of New South Wales
Conflict over the price of sex
- 11:00-11:20 **Coffee Break** - MS002
- 11:20-12:20 **Pierre-André Chiappori**, Columbia University
The economic role of the family: then and now
- 12:20-13:20 **Lunch** - MS002
- 13:20-14:00 **Poster Session I** - MS003
- Nikhil Chaudhary**, University College London
Social capital and fitness in hunter-gatherers
- Juan Du**, University College London
Child survival and kin effects in a pastoralist society
- Mark Dyble**, Institute for advanced study in Toulouse
Inclusive fitness benefits can favour altruism towards reproductive partners and affinal kin
- Marion Mercier**, IRES- Université catholique de Louvain
Economic development and Human handedness
- Sarah Myers**, University of Kent/Roehampton University
A life history perspective on maternal emotional investments during infancy
- Vandana Revathi Venkateswaran**, Max Planck Institute for Evolutionary Biology
Evolutionary dynamics of multiple games in the multiverse
- Roberto Sarkisian**, Toulouse School of Economics
Team incentives under moral and altruistic preferences: which team to choose?
- Jiakun Zheng**, Toulouse School of Economics
Household risk versus individual risk: an experimental study
- Vincent Zvenigorosky**, Laboratoire AMIS
Matrimonial culture in two Eastern Siberian communities
- 14:00-15:00 **Brooke Scelza**, University of California
The value of concurrency: exploring the social, economic and genetic benefits of multiple mating among Himba women
- 15:00-15:20 **Coffee Break** - MS002
- 15:20-16:20 **Ingela Alger**, TSE-CNRS-IAST
How many wives do men want? On the evolution of monogamy
- 16:20-17:20 **Lena Edlund**, Columbia University
Islam and marriage
- 20:00 **Dinner** (by invitation only)

Program: June 2

- 08:30-09:00 **Welcome Coffee** - Hall S Building
- 09:00-10:00 **Hanna Kokko**, University of Zurich
The evolutionary enigma of the demographic transition
- 10:00-11:00 **David de la Croix**, Université Catholique de Louvain
French fertility and education transition: rational choice vs cultural diffusion
- 11:00-11:20 **Coffee Break** - MS002
- 11:20-12:20 **Donald Cox**, Boston College
Evolution of paternal care in humans and game-changing ecological transition
- 12:20-13:20 **Lunch** - MS002
- 13:20-14:00 **Poster Session II** - MS003
- Alice Baniel**, Institute for advanced study in Toulouse
Male violence and sexual intimidation in a wild primate society
- Gladys Barragan-Jason**, Institute for advanced study in Toulouse
The two facets of patience in young children
- Bastien Chabé-Ferret**, Université catholique de Louvain
Adherence to cultural norm and economic incentives: evidence from fertility timing decisions
- Annalisa Frigo**, Université catholique de Louvain
Now she is Martha, then she is Mary: the influence of beguinages on attitudes toward women
- Emanuela Migliaccio**, Institute for advanced study in Toulouse/(PSE)
Cultural transmission and traveling co-operators
- Cristina Moya**, Max Planck Institute for Evolutionary Anthropology.
Intergenerational conflict may help explain why parents delay the onset of their children's reproduction: a cross-cultural analysis
- Eva Raiber**, Toulouse School of Economics
Marriage markets with parental search: theory and data from China
- Gul Deniz Salali**, University College London
Marital ties, cooperative childcare and cultural evolution
- 14:00-15:00 **Lee Gettler**, University of Notre Dame
The biology of fatherhood: evolutionary origins, ontogenetic influences, and proximate functions
- 15:00-15:20 **Coffee Break** - MS002
- 15:20-16:20 **Ruth Mace**, University College London
The evolution of family systems in Sino-Tibetan cultures
- 16:20-17:20 **Partha Dasgupta**, University of Cambridge
Socially embedded preferences, environmental externalities and reproductive rights
- 17:20-18:00 **General Discussion & Conclusions**
- 19:30 **Dinner** (by invitation only)
